### ABOUT THIS PROJECT

The London Somalia Conference takes place on 23rd February 2012 with the aim of structuring a new international approach to solve the Somalia issue. The conference taking place many miles away from Somalia will include delegates from over 40 states.

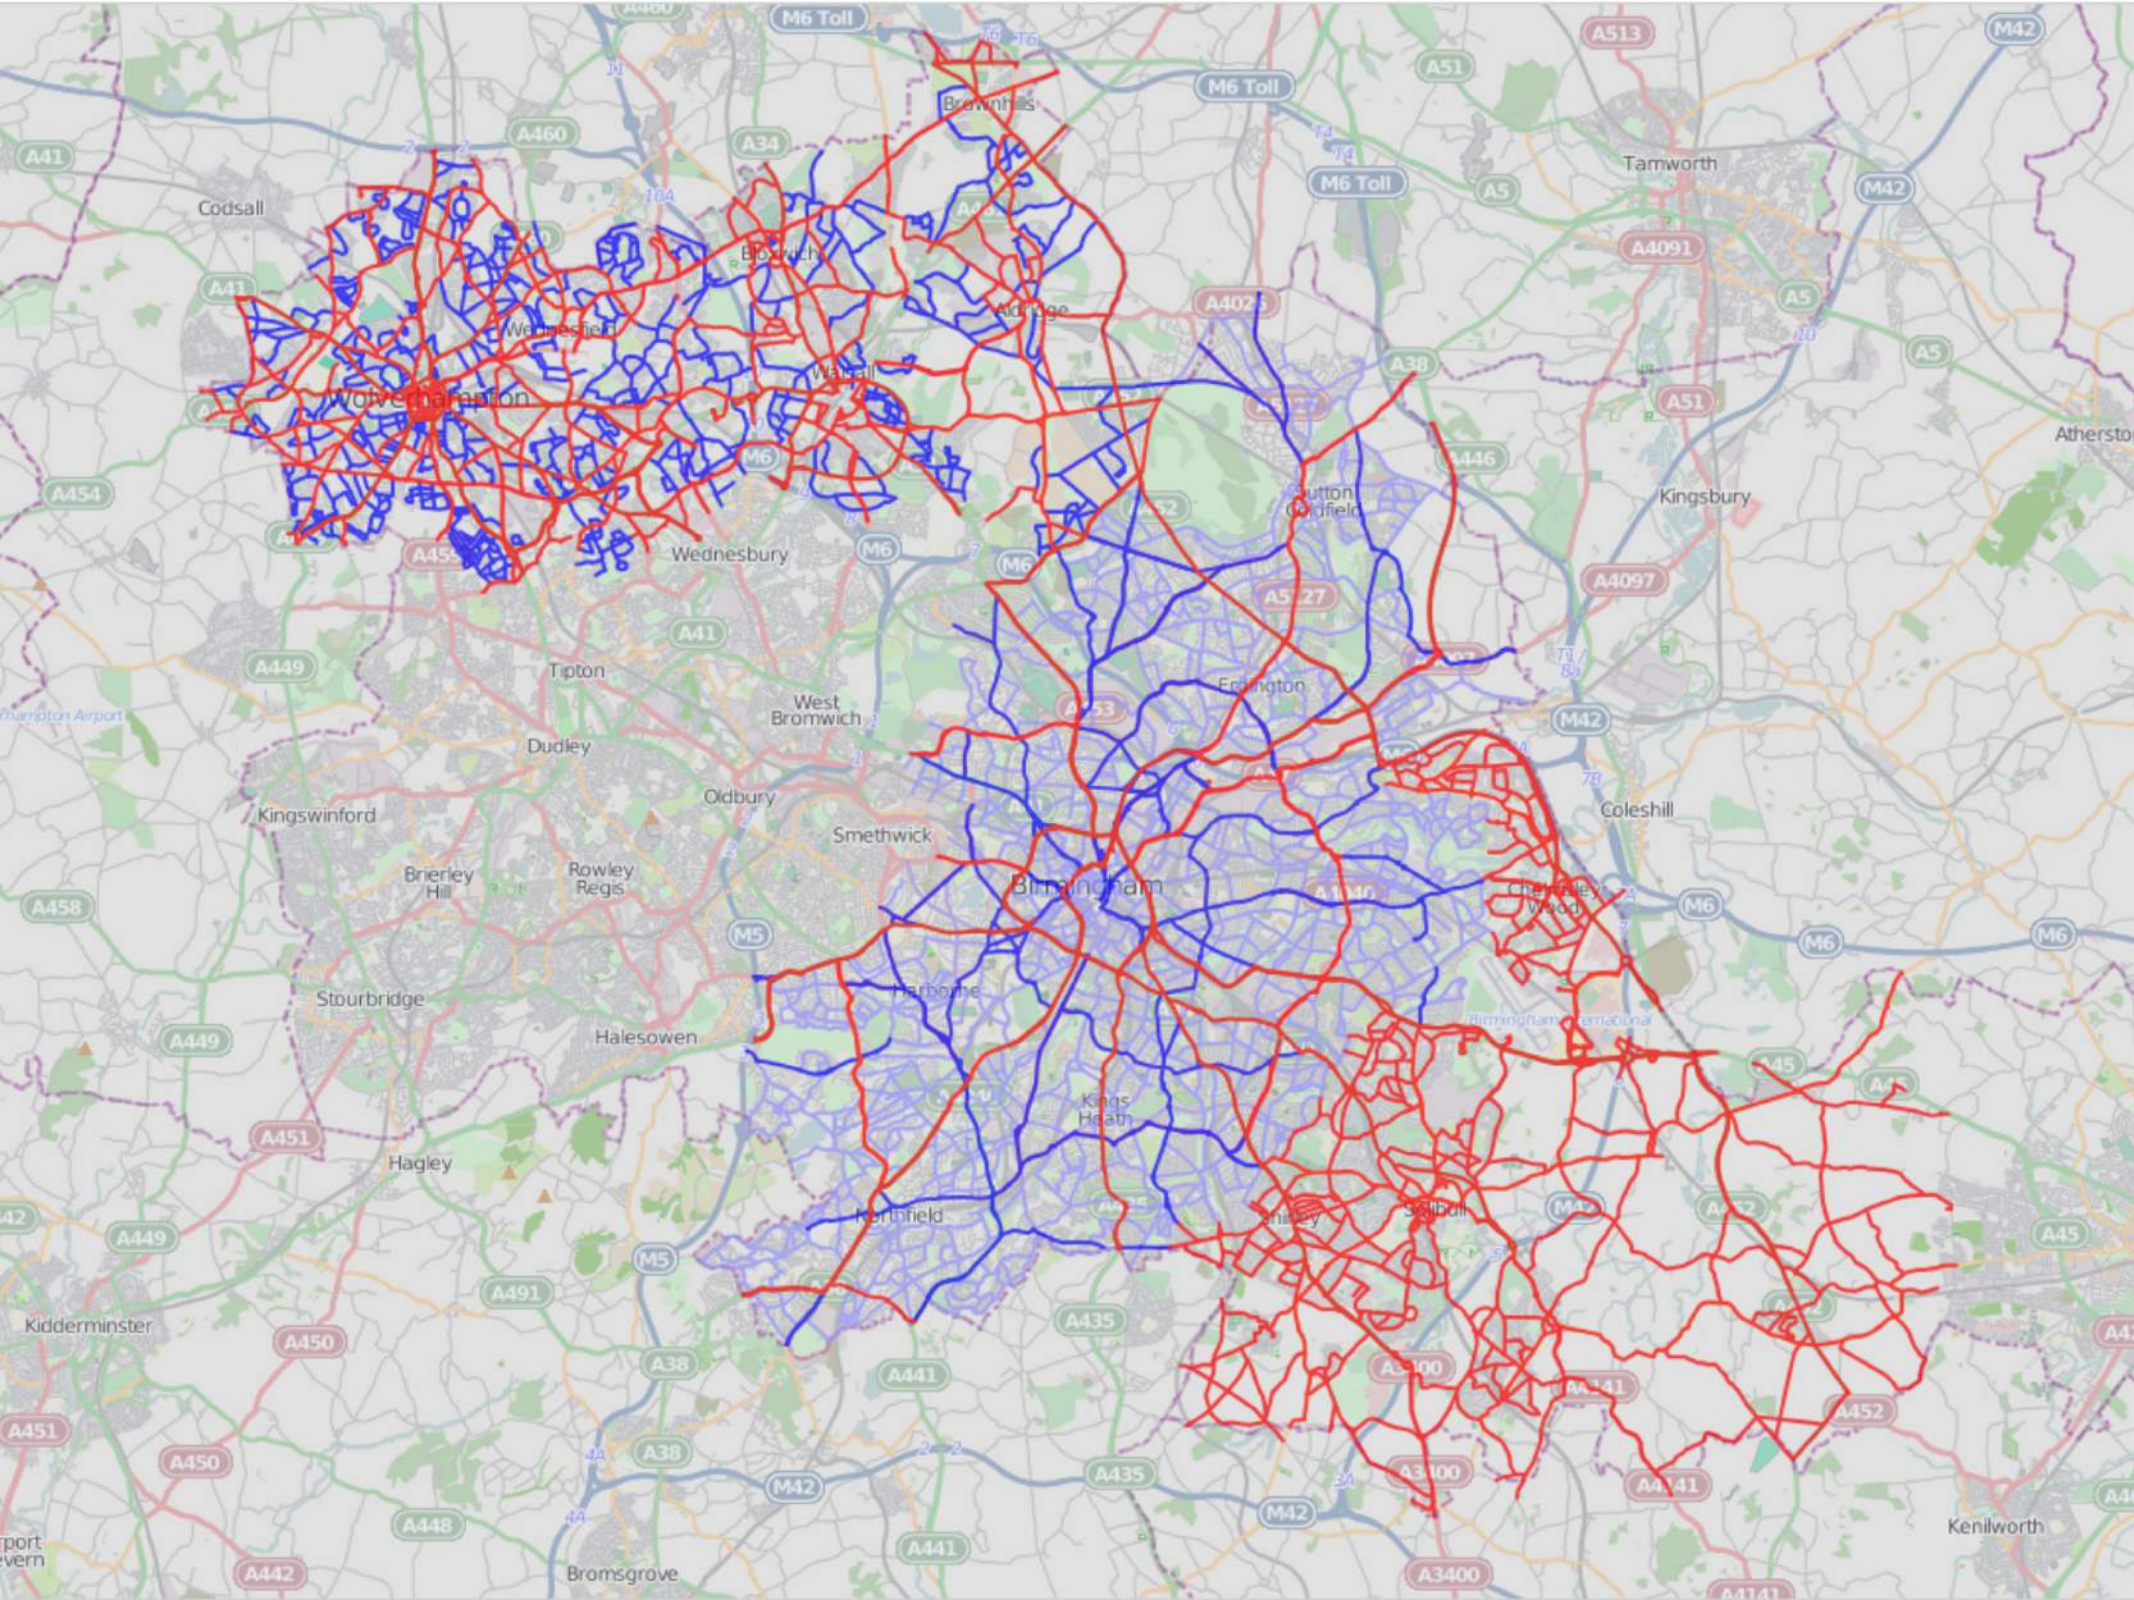

As a continuation of our Somalia Speaks project we aim to give Somalis an opportunity to tell us what they would like to see happen in their country in the future.

We have asked residents of Somalia the following question in their local language via SMS ("Waa maxay farrinta aad u direyso ergada shirka Soomaaliya ee London? Fadlan soo raaci halkaad joogto iyo magacaagaba. Waa suurtagal in aragtidaada la baahyo")

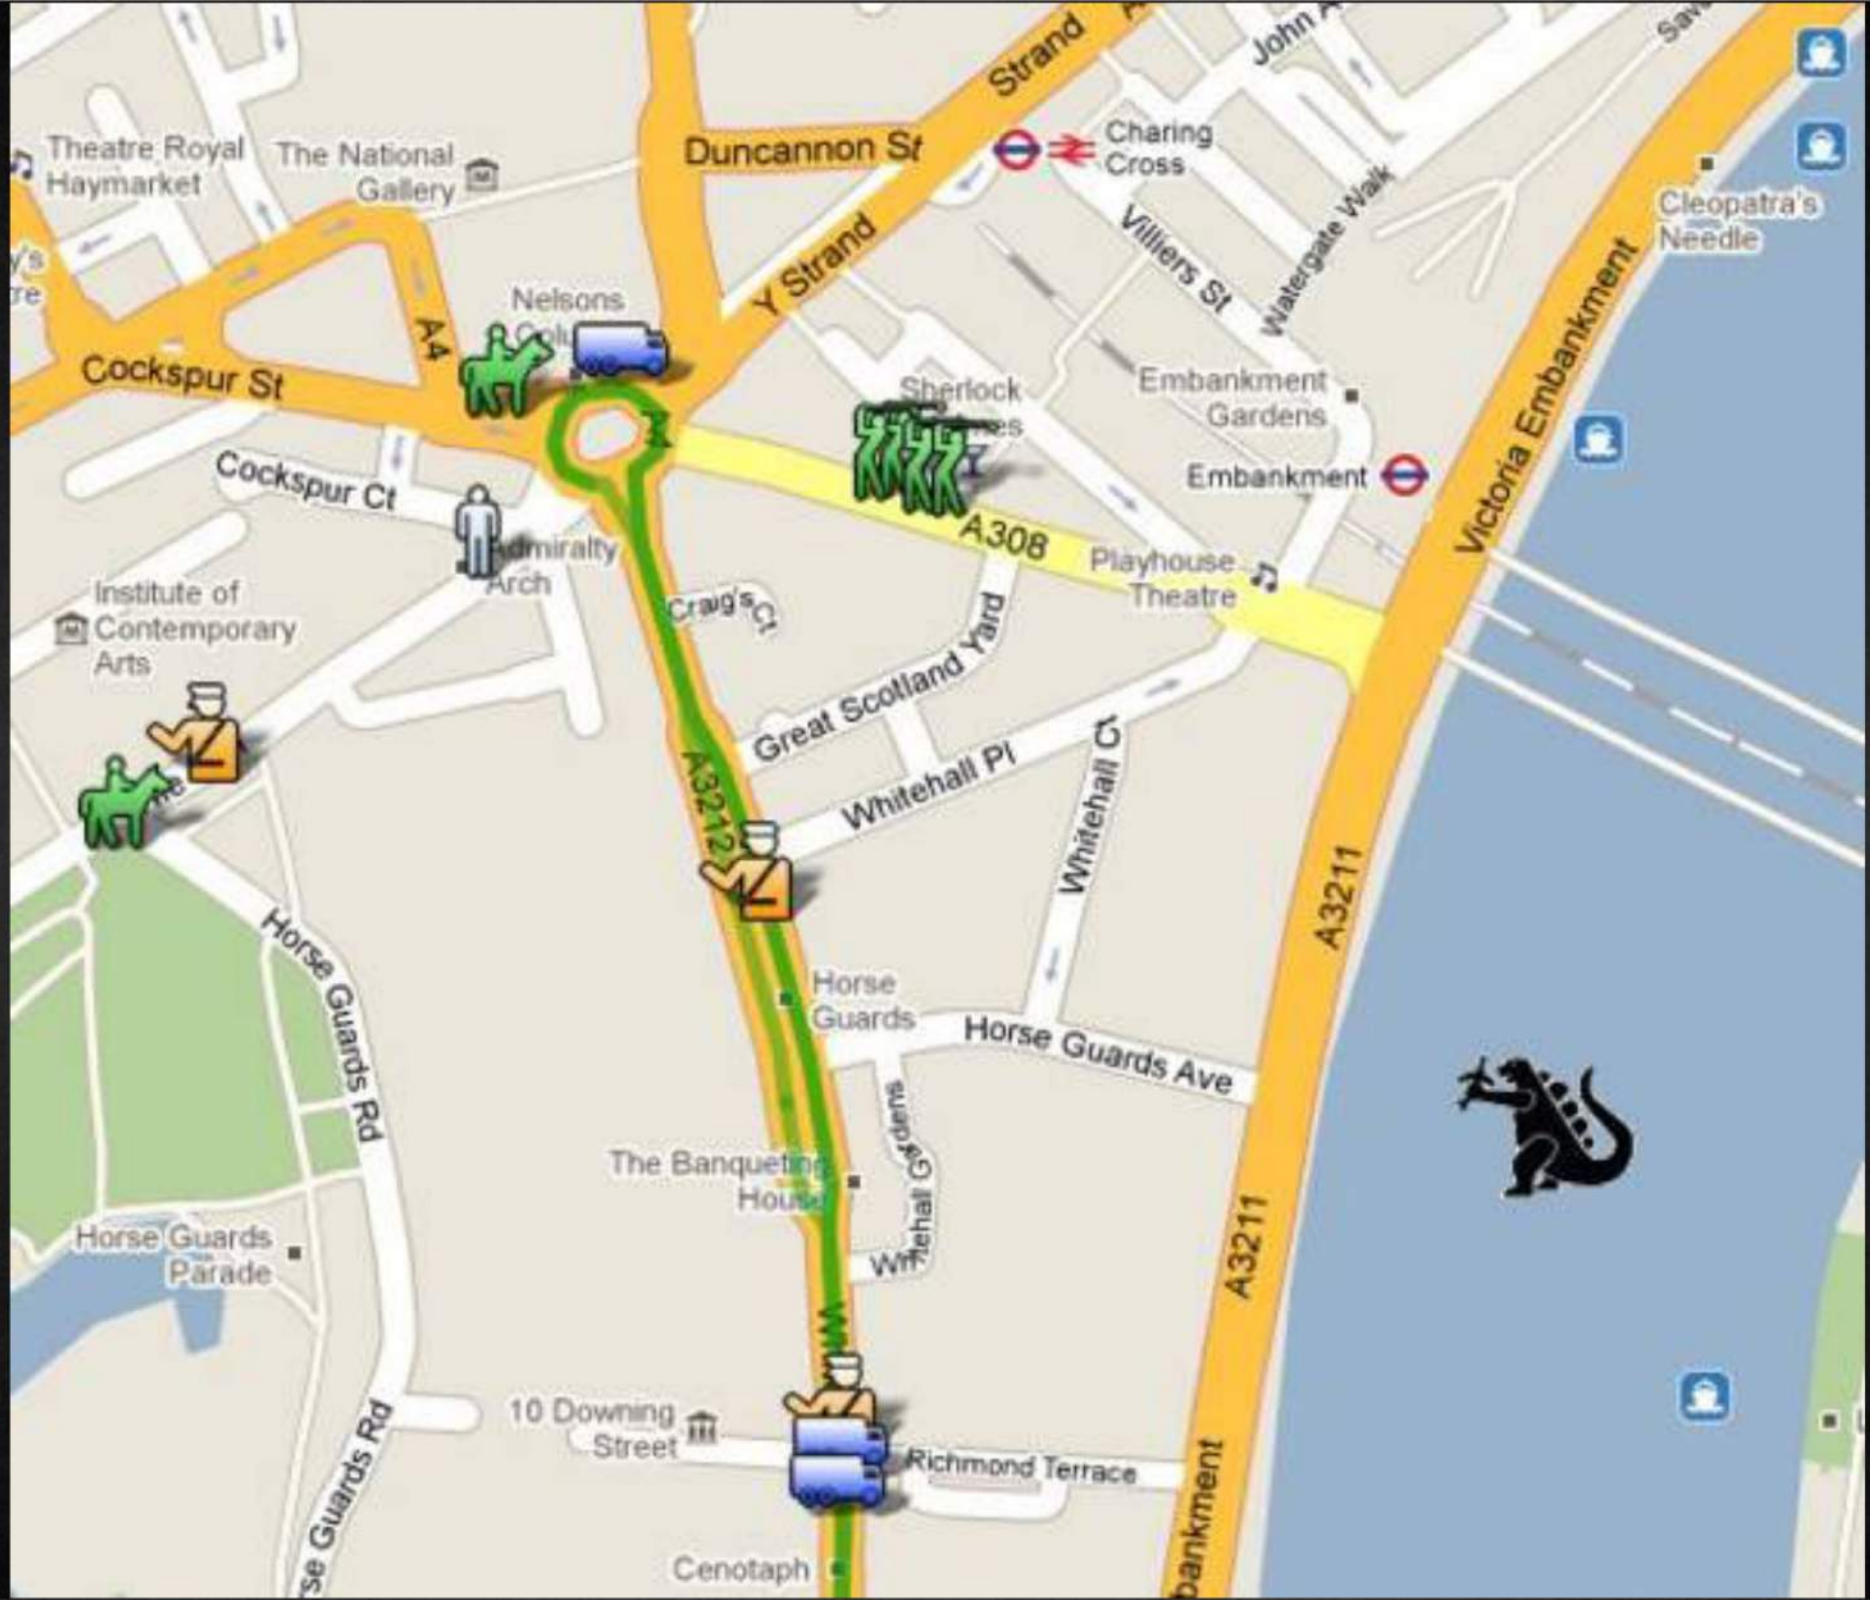

"What is your message to the London Somalia Conference?"

Their responses have been translated and added to the map below
